AHF requires each housing and academic scholarship recipient to enroll each fall and spring semester as a full-time student (12 hours per semester). Applicant is required to do an average of four (4) hours of community service per week (208 hours per year). Community services can vary but must have AHF’s approval via the property manager (for housing scholarships only) or Program Development office of AHF.

The housing scholarship covers the following:

- 1) Monthly Rent (does not include other bills that are not normally included in the rent amount).
- 2) Scholarship is also designed for a two or three bedroom apartment. Given AHF rents units on a per bed basis, the scholarship recipient will be sharing the apartment with one or two roommates.

Once the particular scholarship is awarded, AHF asks that each recipient send the Program Development of AHF a letter of acceptance along with a photo for a pictorial record of the scholarship recipient. AHF keeps a photo record of scholarship recipients and may choose to use these pictures as promotional tools.

To the best of my knowledge, the information I have submitted is correct and truthful. If I am awarded a scholarship, I grant AHF permission to use my picture to promote the mission of AHF without charge or need for further consent. I also understand and accept that Atlantic Housing Foundation retains the right to suspend this scholarship for any reason without any prior notice or consent of any party.
